Venduehuis

To celebrate its 200th anniversary auctionhouse Venduehuis in Den Haag invited some Dutch designers to adjust an old chair. We also played with a chair and experimented with a new routing machine in the workshop next to our studio.

All chairs will be auctioned for a good cause. The income for our chair will go to the Sofa Foundation that supports young Dutch furniture designers.

Viewings: 5,6,7 Oct. Auction 10th Oct.
